

PASADENA, CA – OCTOBER 2015. Obsolescence announcement.

Kinematics is announcing End-of-Life of the Digitizer/Recorder Model **Granite**. The Granite was introduced as a multichannel Digitizer/Recorder in 12-, 24-, and 36-channel versions. Kinematics decided to discontinue Granite effective October 1, 2015.

The Granite will continue to be supported through October 1, 2018. Kinematics will continue to repair the instruments for as long as components will remain available.

Kinematics recommends the multi-channel [Obsidian12X/24X/36X](#) instead.
