

**PASADENA, CA – JULY 2017. Obsolescence announcement – Second notice**

Kinematics is announcing End-of-Life of the Altus series of products (K2, ETNA, Everest, Mt. Whitney). The Altus series was introduced in 1991 and has known thousands of installations worldwide. Kinematics decided to discontinue the Altus series several years ago and decided to stop its support on June 23, 2018.

Kinematics suggests the [Obsidian](#), [ETNA 2](#), and [Dolomite+](#) products instead.
